ALL COUNTY INFORMATION NOTICE NO. 1-119-82

TO ALL COUNTY WELFARE DIRECTORS

SUBJECT: SB 14 IMPLEMENTATION TRAINING SCHEDULE

The Family and Children's Services Branch will be conducting training sessions in September of 1982 on the implementation of SB 14. Attached is a list of the eight training session dates and locations. The sessions will be one day and begin promptly at 9:00 AM. Due to a limited amount of space at a number of locations, we must restrict attendance to 30 persons per session. The training will be primarily directed to program managers and staff development officers.

At the conclusion of the training, participants should be familiar with:

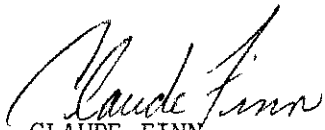

1. Changes in the Welfare and Institutions code which:
 - a. Revise the frequency and content of court reviews for court dependent children;
 - b. Change the conditions under which a court may remove children from their parents;
 - c. Establish an Administrative Review process for children in foster care; and
 - d. Revise child welfare services programs.
2. Changes in the Civil Code related to standards for freeing children from the custody of their parents for the purposes of adoptions.
3. Revisions in Division 30 Social Services regulations which become effective October 1, 1982 implementing the provisions of SB 14.

The Department will be conducting additional training to address AFDC-FC eligibility changes, time study, and other administrative changes. Training related to these changes will be scheduled at a later date.

Please note from the enclosed schedule that sessions have been located in various parts of the state and that a list is provided for the location

each county is to attend. Attached is a questionnaire which is to be returned by September 8, 1982 concerning staff attending the training. If a county wishes to attend an alternative session every effort will be made to accomodate.

If you have any questions regarding the content or the schedule, please contact Pamela Ennis at (916) 322-6333 or ATSS 492-6333.
